

NORTH WEST REGIONAL BUSINESS DEVELOPMENT MANAGER

RELEASE DATE: 12TH MARCH, 2009

LOCATION

Jaivel Europe Limited, North West - UK

THE ROLE

The successful candidate will have a strong background in mechanical engineering and have extensive working knowledge of the Aerospace Industry. With a proven ability to work in a structured manner you will have demonstrable knowledge of the regional Aerospace manufacturing community.

The prime responsibility of the candidate will be to identify and engage with suitable organisations in the region then manage the development of each relationship to deliver consistent Win-Win situations.

A born communicator, both written and verbal, you will be confident when dealing with people at all levels and have excellent presentation and interpersonal skills. Ideally candidates will have reasonable knowledge of - CNC programming and CNC machining.

You will primarily be based in the UK at our Mansfield Office, but it is expected that UK and some International travel will be part of the role.

QUALIFICATION/EXPERIENCE

A born communicator, both written and verbal, you will be confident when dealing with people at all levels and have excellent presentation and interpersonal skills with exceptional knowledge of manufacturing large and complex aerospace components.
